Please do format words in *italics* only when required by nomenclature *(e.g. Helicobacter pylori).*

CAPITALS are only used if necessary (e.g. DNA).

The text is limited to a maximum of **250 words**.

In case you insert a **table**, only words will be counted in the word count.

Tables (in the usual MS–WORD Format) can simply be pasted into the abstract body field or created via the button "Create a table".

Graphics and pictures are not allowed.

If applicable, information on **grants, references and fellowships** must be included at the end of the abstract text (and will be included in the word count).

Please ensure that your abstract does not contain spelling, grammatical or scientific errors, as it will be reproduced exactly as submitted. **No proof reading** will be done.
